

## Directions to RSVP

RSVP is located in the Haskell Building at 1 Prince Street in Northampton. The building is a large three-story brick building with a white portico entrance. Accessible/short-term parking is available along the semi-circular drive in front of the building. The main parking is behind the building and can be accessed from Musante Drive.

### From Downtown Northampton:

- Follow Route 66 West (West St) for one mile. Smith College will be on your right and Forbes Library will be on your left as you leave downtown.
- Go through the light at the top of the hill. This is Village Hill Road. The large L3Harris building will be on your left.
- Just past the Village Hill light, bear immediately right onto Prince Street. The Haskell Building is the first building on the right.

**For short-term/accessible parking**, turn into the first driveway, just in front of the large blue sign that says Haskell Building.

**For the main parking lot**, follow Prince Street past the Haskell Building and take a right onto the first street, Musante Drive. The parking lot is your first right. Park and walk through the parking lot to the front of the building to enter. Additional parallel parking is available along Musante Drive.

Let the lobby receptionist know that you're here for RSVP. Pick up a visitor badge and complete the visitor logbook. An RSVP staff member will be down to greet you shortly!
